Resume

I am a highly experienced lighting camera operator and Steadicam operator with over 15 years in the television and film industry. My work covers a wide range of specialist areas including commercials and promos, to high end film and television productions.

I work with and own the latest camera equipment and lenses, which along with my skills brings the highest quality to any production I work on. I have honed various lighting techniques over the years, and so can bring a multitude of different looks and styles to my projects. My regular clients include the BBC, ITV, Channel 4, Channel 5, Sky and Independent production companies.

Some of my most recent Television work include:
